The Wellington Women's Club installed its incoming board of directors for the 2009-10 season at its meeting June 11. The club began in 1977 as the Welcome Wagon and is open to all women residing in the western communities. It meets for dinner and a program once a month from September through June and supports two major causes, the YWCA Harmony House, a shelter for abused women and their children, and college scholarships for local students.
